

I understand and can explain what I need to do.

I understand somewhat but still need support.

I don't understand yet and need support.

I understand and can explain what I need to do.

I understand somewhat but still need support.

I don't yet understand and need support.

I understand and can explain what I need to do.

I understand somewhat but still need support.

I don't yet understand and need support.

I understand and can explain what I need to do.

I understand somewhat but still need support.

I don't yet understand and need support.

I understand and can explain what I need to do.

I understand somewhat but still need support.

I don't yet understand and need support.

I understand and can explain what I need to do.

I understand somewhat but still need support.

I don't yet understand and need support.

I understand and can explain what I need to do.

I understand somewhat but still need support.

I don't yet understand and need support.

I understand and can explain what I need to do.

I understand somewhat but still need support.

I don't yet understand and need support.

I understand and can explain what I need to do.

I understand somewhat but still need support.

I don't yet understand and need support.

I understand and can explain what I need to do.

I understand somewhat but still need support.

I don't yet understand and need support.

I understand and can explain what I need to do.

I understand somewhat but still need support.

I don't yet understand and need support.

I understand and can explain what I need to do.

I understand somewhat but still need support.

I don't yet understand and need support.
